

Data Request Reference:	2397
FOI:	301 10 24
Request Theme:	Vehicles involved in flooding events at Woodston, Lindridge
Reporting Period:	01 October 2019 to 30 September 2024

In order to collate the data for vehicles involved in flooding events the following methodology was used:

- In order to give an idea of the trend, the date range used for the search was 01 October 2019 to 30 September 2024.
- The search parameters were restricted to special services in the Tenbury Wells station ground (this includes Woodston, Lindridge).
- A centre point was created at the junction between the A443 and the road leading to Woodston Manor.
- All incidents within a 1km radius of the centre point (search area) were included in the dataset.
